

A **modified Market schedule** was approved on 3/19/20, temporarily, so that market employees can clean and sanitize areas of concern without compromising our dedication to keeping a safe environment for all. This was also implemented in an effort to stagger shifts and our staff.

New Market times:

****Previously we closed at 3pm each day**

- Sunday 9pm to Monday 11am
- Monday 10pm to Tuesday 11am
- Tuesday 10pm to Wednesday 11am
- Wednesday 10pm to Thursday 11am
- Thursday 10pm to Friday 11am
