

Phillip Grant is the General Manager of the Hunts Point Produce Market. Phillip leads a team of 125 staff supporting the day to day market operations and capital planning for over 30 Merchants. Hunts Point spans 1 million square feet and sits on over 112 acres.

Previously Phillip was the Senior Vice President and Director of Construction for the Asset Management Operations division of the New York City Economic Development Corporation (NYCEDC). Phillip led the division's over \$1 billion capital project portfolio. Key projects included NYC Ferry, Brooklyn Army Terminal Phase V, the Made in New York Campus (MiNY), and various capital projects in the Hunts Point area of the Bronx.

Phillip is a Licensed Professional Engineer in New York and a certified construction manager. He is a graduate of Fairleigh Dickinson University and holds an MBA from Mercy College.
